FYI – per discussion on today’s call. Attached are the talking points Whitney and I crafted (reviewed by Mindy) and sent forward to the OW communications folks in response to the request to help prepare talking points and background on Florida 404g for the Deputy Administrator’s trip to FL. He will meet with the restore council and he extended an invitation to Governor DeSantis and Secretary Valenstein to join him.

At the direction of OW and OWOW we update the Congressional fact sheet. Incorporating a few points specific to Florida.

here. Can you and the team please incorporate a few points specific to the activities with Florida?
